Amended Agenda: Added Elm Street under Other Discussion

STONEHAM CONSERVATION COMMISSION
AGENDA and NOTICE OF MEETING
Wednesday, May 18 , 2016 @ 7:00 P.M.
Whip Hill

2016 MAY 17 P 4: 19

7:00 P.M.
PUBLIC HEARING:

- **NSTAR Electric**
  Jeremy Fennell, Epsilon Ass.

  A Notice of Intent has been filed for the completion of two test pits and advancement of one boring with one groundwater monitoring well installed within the Montvale Avenue roadway to characterize subsurface conditions to support the design of the Woburn-Wakefield Line Project. Portions of the proposed work will occur in the buffer zone to inland bank and bordering land subject to flooding. Approval Signatures for OoC

- **MWRA**
  Mary White

  A Notice of Intent has been filed Massachusetts Water Resource Authority (MWRA) for the construction of a 48 inch water main within sections of Woodland Rd, Pond St, and South St. Portions of the proposed work will occur in the Riverfront area of Spot Pond and the 100foot buffer zones to areas of Bordering Vegetated Wetlands, and the bank of Spot Pond.

- **7 Doherty's Lane**
  Ryan Skinner & LEC

  A Notice of Intent has been filed to install an in-ground pool and patio. Portions of the proposed work will occur within the Buffer Zone to a Bordering Vegetated Wetland.

OTHER DISCUSSION:

- **5 Sunset Road**
  Carlo & Antonio Vetrano
  Mr. Vetrano would like to install a fence on the property
  Approval signature for Negative DoA

- **4 South Hillside St**
  Keith Fallon
  Homeowner has submitted an application to the Building Department for a family room addition.
  Mr. Previte did a site visit and suggests there are wetlands. Review Building Dept and Conservation files for prior plans.

- **Elm Street**

Mark Rosa
Enclose a backyard creek
