

An important message from the Town of Stoneham

THE TOWN OF STONEHAM HAS IMPLEMENTED AN
EMERGENCY NOTIFICATION SYSTEM

The town has licensed the CodeRED Community Notification System to help disseminate important or critical information.

We ask all resident and businesses to go to the Town of Stoneham website, click on the CodeRED logo located on the right hand side and enter their contact information, including additional phone numbers, and text and email addresses, to ensure all of the data in our system is accurate and current.

If you do not have Internet access, please contact a friend or family member to help add your contact information to the emergency database.

You can also call the Town of Stoneham directly at **781-438-1215, ext. 3140** between the hours of 9:00AM and 3:00PM for assistance.

I want to thank you for your assistance in this endeavor.

David Ragucci, Town Administrator
