Question 1.

Shall the Town of Stoneham accept sections 3 to 7, inclusive of Chapter 44B of the General Laws, as approved by its legislative body (town meeting), a summary of which appears below?

SUMMARY

Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act (“CPA”), establish a dedicated funding source to enable cities and towns to:

- (1) acquire, create and preserve open space, which includes land for parks, recreational uses and conservation areas;
- (2) acquire, preserve, rehabilitate and restore historic resources, including historic community buildings;
- (3) acquire, create, preserve, rehabilitate and restore land for recreational use, including for parks, playgrounds and athletic fields;
- (4) acquire, create, preserve and support community housing;
- (5) rehabilitate or restore open space and community housing that is acquired or created as provided in the CPA.

In Stoneham, the funding source for these community preservation purposes will be:

- (1) a surcharge of one percent (1%) of the annual property tax levy against real property commencing in fiscal year 2014 (beginning July 1, 2013), pursuant to Section 3(b½) of the CPA;
- (2) additional municipal funds that may be committed by the Town Meeting as provided in Section 3(b½) of the CPA; and
- (3) an annual distribution made by the Commonwealth of Massachusetts from a trust fund created by the CPA.

Exempt from the property tax surcharge in Stoneham are:

- (1) property owned and occupied as a domicile by any person who qualifies for low income housing or low or moderate income senior housing in the Town as defined in Section 2 of the CPA; and
- (2) \$100,000 of the value of each taxable parcel of “class three, commercial property”, and “class four, industrial property” as defined in section 2A of Chapter 59 of the General Law.

A taxpayer receiving a regular property tax abatement or exemption will also receive a pro rata reduction in surcharge.

The expenditure of funds from the Community Preservation Fund for a CPA project shall require both a recommendation of the Community Preservation Committee and an affirmative vote by the Town Meeting on the Committee’s recommendation. Town Meeting may not appropriate CPA funds for a project which has not received the recommendation of the Community Preservation Committee.

Upon acceptance of the CPA by this ballot question, a Community Preservation Committee must be established by bylaw to study community preservation needs, possibilities and resources, and to make annual recommendations to the Town Meeting on the use of the funds.

Upon acceptance of the CPA by this ballot question, no change can be made in the one percent (1%) surcharge or the exemptions there from without another vote by ballot at an election.

Article 7. To see if the Town will vote to amend the Stoneham Town Code Chapter 15, Zoning Bylaw, by adding Section 4.1.7 Moratorium on Medical Marijuana Treatment Center(s), as follows:

4.1.7 Moratorium on Medical Marijuana Treatment Center(s)

4.1.7.1. Purpose: By vote at the State election on November 6, 2012 (Ballot Question 3), the voters of the Commonwealth approved a law regulating the cultivation, distribution, possession and use of marijuana for medical purposes. The law became effective on January 1, 2013, and the State Department of Public Health (“DPH”) is required to issue regulations regarding its implementation within 120 days of that date, and the DPH has indicated that it might be delayed in issuing the regulations. Any regulations promulgated by the DPH are expected to provide guidance to the Town in regulating medical marijuana, including a Medical Marijuana Treatment Center(s). The specific zoning regulation of medical marijuana raises novel and complex planning and land use issues, as well as public safety and legal issues. The Town needs the yet-to-be promulgated DPH regulations, and time thereafter, to study and consider these issues. The Town therefore adopts a moratorium on the use of any land and structures for a Medical Marijuana Treatment Center(s).

This moratorium will allow the Town sufficient time to engage in a planning process to consider and address the effects of such uses and structures in the Town, and to enact zoning bylaw provisions regarding a Medical Marijuana Treatment Center(s) in a manner consistent with sound planning and land use objectives, as well as applicable law and regulations.

4.1.7.2. Definition of Medical Marijuana Treatment Center: Medical Marijuana Treatment Center shall mean a “not-for-profit entity, as defined by Massachusetts law only (as referenced in Section 2(H) of Ballot Question 3) and registered by the Department of Public Health, that acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to qualifying patients or their personal caregivers.

Moratorium: For the reasons set forth in the purpose Section above, and notwithstanding any other provision of the Zoning Bylaw to the contrary, the Town hereby adopts a moratorium on the use of any land or structures for a Medical Marijuana Treatment Center in all zoning districts in the Town. This moratorium shall be in effect until such time that the Town Meeting enacts a Zoning Bylaw specifically addressing a Medical Marijuana Treatment Center(s) in Stoneham or through June 30, 2014, whichever date is sooner. During the moratorium period, the Town shall undertake a planning process to address the potential impacts of a Medical Marijuana Treatment Center(s) and related uses in the Town, consider the DPH regulations regarding Medical Marijuana Treatment Centers and related uses, and enact new Zoning Bylaws to address these issues, including the use of any land or structures therefore.

Or do anything in relation hereto.
