Date: November 19, 2013

Meeting called to order 6:20 PM

Discussed the Commission's Chapter 40 status and how we can improve communication with the Selectmen the community.

David is going to email Bill Solomon about raising the handicapped parking fines and mutually benefit the town and the Commission.

The Commission intends to invite Selectmen and Jeff Dougan for an information session and the benefits of having us being Chapter 40 status.

Get the web site up and running and an office.

Dave mentioned having a resource pamphlet to have at the senior center or schools or places of worship. Goal to educate and inform. Develop a type of marketing plan. Sue asked if the town had a particular resource for this. Sue mentioned Dennis O'Hara had offered marketing tips to non-profits in town.

Draft a letter to the head of the Board of Health for use of their office. Dave will get person to address letter to specifically.

The commission requested office space, telephone and a computer which Mr. Ragucci will work on and locate an office for them.

Sue will resend the latest copy for the van accessible space for Common Street to Jeff Dougan to approve the plan to Bob Grover can move forward.

Dave left early to attend Selectmen's meeting.
