Subject: OUI Last Drink Data - Q4 (Oct-Dec 2014)

The Attorney General's Office, Municipal Law Unit ("MLU"), is now e-mailing to cities and towns information about establishments where defendants convicted of operating under the influence say they were served alcohol before being arrested. MLU sends this information to City and Town Clerks quarterly or as it becomes available from the Trial Court. The Clerks should forward this email to others in the municipality that may have interest in the information, such as local licensing authorities.

As you may know, General Laws Chapter 90, Section 24J, requires courts to ask defendants convicted of operating under the influence of alcohol whether they were served alcohol at any licensed establishment before the violation and the name and location of any such establishment. The Trial Court periodically provides this information to the Attorney General's Office and the Alcoholic Beverages Control Commission (ABCC). The Attorney General is making this information available to you in view of the public safety issue that operating under the influence presents. Please note that the information supplied by the Trial Court may not be complete. The Attorney General has alphabetized the available information by city or town name but does not have additional information beyond that supplied by the Trial Court.

This information does not constitute an accusation of criminal or negligent conduct by any establishment and is not meant to be a substitute for your own license monitoring and enforcement practices. The Attorney General has not conducted an independent review of the information and notes that Section 24J does not require that defendants' statements about these establishments be made under oath. The provision of this information should not be considered the rendering of legal or other professional advice. If you have any questions regarding how this information may be used, we suggest you contact the ABCC at 617-727-3040, or abcc_inquiries@tre.state.ma.us.

We are sending this information to what we understand to be the e-mail addresses of the City and Town Clerks who are in the best position to place the last-drink information before local licensing authorities. If you need to update your e-mail address, please send an e-mail to: OUINotice@state.ma.us.
