

# Want To Understand Town Budgeting?

## Ever Question What Financial Information You Should Be Asking For Or the Format It Should Come In?

The Stoneham Finance and Advisory Board is hosting a special training opportunity.

### **Municipal Budgeting 101**

This session will review national best practices in public budgeting as promoted by the Government Finance Officers Association (GFOA) through its Distinguished Budget Award program. Whether new to the Finance Committee or a veteran member, this session will provide you with a clear roadmap for building consensus by showing how best to organize and present your community's financial information. This training reviews best practices and provides a good foundation for understanding municipal finance and budgeting.

Presented by

**John Coderre**, Town Administrator, Northborough. Under John's leadership, the Town of Northborough has been nationally recognized by the GFOA with its Distinguished Budget Award.

Tuesday, February 3<sup>rd</sup>, 7pm

Stoneham Town Hall, 35 Central Street, Stoneham, MA 02180

Who Should Attend?

Open to all. This is a Public Meeting of the Stoneham Finance & Advisory Board. It will be televised on Stoneham TV.
