Stoneham Board of Selectmen  
Thomas Boussy, Chr.  
Stoneham Town Hall  
Stoneham, Ma 02180

Dear Mr. Boussy:

With Stoneham's new technology comes the ability for more visibility of our town's government. I request that the Stoneham Board of Selectmen require that the Stoneham Planning Board and The Zoning Board of Appeals meetings be televised. Many items that come before these boards are of significant importance and interest. Television will increase each boards' transparency in the policy making process. In addition, residents can readily see the importance of the work that volunteers do for their community. I appreciate your attention to this matter and ask for the immediate action of this request.  
Sincerely,

Mary Lou Bracciotti
