

**Stoneham Conservation Commission Site Visit**

**Saturday, April 25, 2015**

**9:00 AM**

**Weiss Farm, 170 Franklin Street and surrounding neighborhood**

The Conservation Commission will be holding a site visit of Weiss Farm and the surrounding neighborhood. For those who plan on attending please do not park at 170 Franklin St as it is private property. You may park on Franklin Street, Rustic Road or Sunset unless designated by no parking.

As this is primarily a site visit of wetlands that may be muddy the Conservation Commission recommends dressing accordingly.
