Minutes from December meeting approved unanimously

- 1) Open Space Plan – has been sent to the State. Grants can be applied for, but money cannot be released until the OS Plan has been approved.
- 2) Arena – A recommendation was made to TA Younger that they research a position of Full Time Administrative Assistant to the Rink Manager. TA Younger states it has to wait until April when they see how receipts go in the Arena.  
Bids will be out in the next few weeks for the repairs to the Rink  
Town does not have a naming policy on naming building after a sponsor.
- 3) Recreation – Steve Angelo says Winter Rec programs are in full swing. Open skate had 30 participants at the arena. School facilities have been opened for Steve to run Rec programs.
- 4) Dog Park – the challenge to moving forward with the Dog Park is location. Requires parking, needs to be maintained, should be aesthetically pleasing.
- 5) Housing Production Plan – Meeting being held Tuesday 1/30/18. Erin Wortman suggests representatives from OSR Committee attend the meeting.

Meeting adjourned at 7:50 pm
