November 2017

### Actions:

- 1 Implement the Tri-Community Greenway and Stoneham Complete Streets programs to facilitate walking, hiking and bicycling
- 2 Improve Annual Maintenance of Parks and Recreation and Conservation sites (not mapped)
- 3 Improve all neighborhood playgrounds within the town over the next 10 years
- 4 Assign Conservation Commission or other committee to work with Department of Conservation and Recreation (DCR) on expanded use of Spot Pond and Middlesex Fells Reservation
- 5 Acquire additional areas for recreational facilities or conservation area
  - 5A -- along Greenway
  - 5B -- remaining large open areas for conservation or recreation
  - 5C -- small parcels west of Route 28 for development for playgrounds
- 6 Improve all town recreation facilities within the town over the next 10 years
- 7 Develop a plan for the continuation and expansion of the breadth and frequency of events at the Common, as well as other locations such as Whip Hill Park
- 8 Expand funding for open space and recreation facilities and programs and improvements (not mapped)
- 9 Increase public awareness of open space and recreation opportunities (not mapped)
- 10 Increase management - including DPW staff as well as volunteers - at some of the smaller, less known, conservation areas (not mapped)
- 11 Coordinate with other Plans and Boards (not mapped)
