

Stoneham Police Department

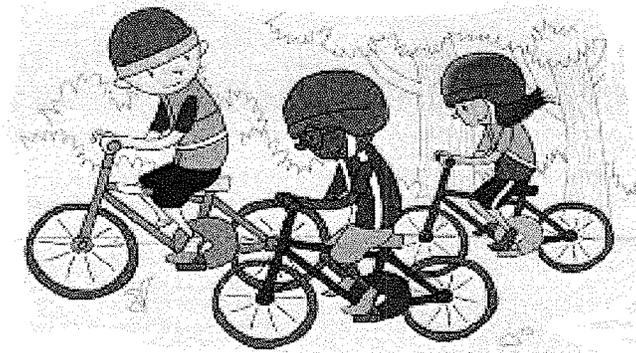

and

Stoneham Central Middle School

2019-2020 School Year

See if you can be “caught” wearing your helmet while riding to and from school!

The Stoneham Police Department and Stoneham Central Middle School are excited to participate in Stoneham’s School Bicycle Safety Program! Our goal is to increase awareness of and compliance with helmet laws to reduce the potential of serious head injuries that occur as a result of bicycle accidents. This fun initiative allows officers to positively reward the children “caught” wearing their helmets. Children who are observed riding bicycles, skateboards, rollerblades, roller skates, scooters, etc., to and from the Central Middle School will be given a voucher for a free ice cream from the Central Middle School cafeteria.

It’s important to note that vouchers will only be given out by Stoneham Police Officers in uniform on marked patrol bicycles or cars.

**The program is applicable to children attending Stoneham Central Middle School who are properly wearing their helmets riding to and from school.
