**TOWN OF STONEHAM
BOARD OF HEALTH
PRESS RELEASE – Senior Center**

As of 3/12/2020, the Stoneham Board of Health has suspended all Senior Center activities until further notice. Out of an abundance of caution, we feel that the protection of our high-risk communities is paramount at this time. All essential services including transportation will remain active on a stretched schedule to allow for sterilization of all vehicles before and after pick-ups. The typical capacity for normal transportation services will be reduced to avoid close physical contact.

We ask that all patrons remain patient while the Town of Stoneham takes the proper measures and precautions to protect their health and safety.

Thank you.
