

## School Committee Vacancy

The Stoneham School Committee and the Stoneham Select Board are seeking a volunteer to serve on the Stoneham School Committee. The volunteer will fill the immediate vacancy created by the resignation of School Committee member, Rachel Meredith-Warren and will serve until the April 2021 Town Election.

To serve on the School Committee you must be a resident of Stoneham, a registered voter, and be willing to serve on the Committee until April, 2021. At that time, the Town will elect a replacement to complete the remainder of Meredith-Warren's three year term, which expires in April, 2022.

Interested applicants must email letters of interest and/or resumes to the Stoneham Select Board at: [dkilbride@stoneham-ma.gov](mailto:dkilbride@stoneham-ma.gov) on or before November 6, 2020. Letters of interest that are received after November 6, 2020, will not be considered. The Select Board and remaining School Committee members will meet on or about November 10, 2020, at an open meeting to fill the vacancy by majority vote.
