Preferred Schematic Report Submission to the MSBA

SMMA No. 20033

Dear Jennifer:

Attached please find the Module 3 Preferred Schematic Report (PSR) package submission to the MSBA. The team has followed the guidelines set forth in Module 3 to develop this submission.

As Owner's Project Manager, we certify that we have reviewed and coordinated the materials, the submittal is complete and conforms to MSBA requirements and confirm that the District has approved the materials for submission to the MSBA.

The School Building Committee has voted construction alternative 4B, a new 695 student high school as the Preferred Alternative.

We look forward to reviewing the information contained in this submission with you and your team.

Please contact me at 617-520-9403 if you have any questions, comments, or would like to schedule a meeting.

Very truly yours,

SMMA
