

STEELE PLAYGROUND RENOVATION UPDATE

Steele Playground and adjacent recreation areas will be closed for all public use starting on Monday, March 1st as we prepare for our new playground structures to be installed. The estimated time in which Steele Playground will be closed is approximately 8 weeks (weather permitting).

We are very excited to be installing this barrier-free, inclusive playground structure for our entire community to enjoy and we appreciate your patience with the rehabilitation process. Please forward any questions or playground inquiries to sangelo@stoneham-ma.gov or 781-279-2609.

NEW STEELE PLAYGROUND COMING MAY 2021!
