January 19, 2024

Good Afternoon,

Please be advised that Maine Drilling and Blasting is conducting blasting operations at the former Weiss farm property on Franklin Street. The blasting is anticipated to take approximately one month for completion of the ledge removal. Maine Drilling and Blasting has been issued a permit by the Fire Department and is operating under the Massachusetts State Fire Code. Two firefighters are on the site daily to ensure safe operations and that the code limitations are not exceeded or violated.

To request notification before each blast contact Maine Drilling and Blasting at 508-478-0273.

If you have any questions please visit or call the Fire Prevention Office Monday through Friday or call 781-438-0127.

Thank You,

Chief Matthew Grafton
